The Lightning Delivery Company has moved thousands of leads of furniture with their big moving van the past six years and no doubt will move thousands more before the big van is worn out. Try them when you move. Take particular notice of the SIDING on the big van whenever you see it. It is made of 98x6 OREGON PINE DROP SIDING which has stood the moving game all this time and is in good condition yet. This has been equal to twenty years' wear if used on a house. I think it was of the first carload of six inch OREGON PINE DROP SIDING ever sold in Phoenix, I sold the material to Heileman and Son six years ago. It looks well and has worn like ron. You cannot buy better sid ing for your frame houses. We are unloading another car today.
